

# Terms & Conditions

**Parties are available for up to 20 children in our new shop in St Pauls Bay.**

Parties can be held when the shop is ordinarily closed. Please check opening hours for weekday hours as these change termly. Saturday afternoons and Sundays all day are also available for parties. There is a minimum spend of €125 for private parties.

Parties are recommended for ages 6 and over. Younger siblings/friends are welcome but a majority of the party must be ages 6 and over due to all the breakables in the venue. Party parents are responsible for any breakages.

It is possible that we will travel to other venues for parties as well which is recommended for large groups or younger children. A €25 travel fee is payable for parties in other venues in central and north Malta.

For parties of 15 to 20 children we cannot accommodate large numbers of adults as well as we do not have the space so we suggest a drop off style

**Parties are confirmed by payment of a €50 deposit. This deposit secures both the date and the stock and therefore is non-refundable if parties are then cancelled by the customer.**

Please note Dinky Fingers is not able to provide food and drink and does not have kitchen facilities for heating up/cooling food.

Party prices include the venue and activity only. Party parent must bring any food/snacks/drinks required for the party (we will provide cups and plates unless you would like to bring your own if you have a specific theme for the party)

Party durations are 2 hours (approx. 1.5 hours is allocated for arrivals and the activity and the last 30 mins for food and cake). Please note slime only parties are recommended alongside other activities as making slime only lasts between 45 mins to 1 hour.

All guests must have vacated the premise within 15 minutes of the party end time to avoid additional charges for staff hours and to allow us to clean and prepare for the next event.
